The following is a deciphering of a letter written in 1844 from A. Grimes in Montgomery County Texas to his sister, Maria Grimes in Washington County, Alabama. Maria Grimes married James A. Worsham, who is mentioned in the letter, and they moved to Texas subsequent to the date of this letter.

Dear Sister

Sept 29th 1844

J. T. Brown expects to start to Alabama in about two hours. I take it as a favorable opportunity of writing to you. I rec'd your letter on the 22nd of July dated June the 11th it being the first time I had heard from home. You may suppose I was glad to see it. You mentioned in your letter that Mother wants to know how I like the country and people. You may say to her I like the country tolerable well. The people I-like very well. Aunt Rosanna treats me as kind as a mother. Uncle Jes is one of the best men in the world. Jacob is a fine young man. The other relations I know but little about. I have been to see Eliza and Martha once. Eliza is doing very well. Rufus is not doing much. Henry was here in July the only time I have seen him. I expect to start to his house in about ten days. He wrote to me that he had made an engagement for me as a clerk in a store in a little town not far from him. I made a crop with Uncle Jesse we planted cotton failed in getting a stand therefore have nothing but corn, we have not gathered it yet -- I believe it is going to turn out a good crop. Say to Nancy I wish her to pickel her cucumbers probably I will return to Alabama some time. If I had them here I should be afraid to eat them for it is as much as I can do to live any way. I can fix it. I have had an attact of the fever. I took it on the 25th of June had it every day for about a month then every two or three days until about ten days ago. I am now able to get about. You mentioned something about my fiddle I own it yet it is too much company to me to part from it. I have been to two parties in Texas then was a dancing school kept in 7 or 8 miles of here but I was to sick to go to it.

You need not look for me until you see me.

I would write more but have not time.

Your brother

A. Grimes

P.S. I will write again soon. You must write as soon as you receive this letter. Say to old Mrs. Womack that John and Jesse Womack and Baker are all well. John and Jesse I believe are well satisfied. Baker is not. Nor neither would he be at any place. Caroline Womack is one of the handsomest girls I have seen in Texas. Say to J. T. Everitt if I ever visit Alabama I will bring him a Spanish saddle the best he ever saw. Say to him and Frank if they want to hunt come here and I can put them at a stand where I can run fifty deer in ten foot of them. I want you to write to me what all the people are doing who has married, died and run away. I want to know where Issac Baker is living.

If you see him tell him to write to me if you know where Clarke the Dancing Man is write me. I also want to know what James Worsham is doing. You said if I would let you know when I was coming you would.....party. I can not appoint anybut I will let you know in

My respects to Miss Mary Miss...... Miss Mary Ellen. Direct your letters..... Post Office Mongomery County.
